Fountain of Youth

Military Arcade

You die if you drink it,
Die if you don't.
You die if you smoke it,
Die if you won't.
Enhale the gases,
Choke on the fumes.
We all wish for,
a Fountain Of Youth.What's with all these boundaries?
Steal all your freedom eventually.
Downed by all the placebos.
We all wish for a Fountain Of Youth
Fountain Of Youth
Fountain Of Youth
Fountain Of YouthThey're gonna eat away your pridem
What about the pesticides?
Rigamortis setting in.
Chewing on processed meatConstant chains on every street
Constant sounds of aging feet
Constant hate and constant fear
We all wish for a Fountain Of Youth
