

You Have Placed a Chill in My Heart

Eurythmics

You have placed a chill in my heart
You have placed a chill in my heart Take me to the desert where there's got to be
A whole heap of nothing for you and me
Take me to the desert, take me to the sand
Show me the color of your right hand You have placed a chill in my heart
You have placed a chill in my heart Love is a temple, love is a shrine
Buy some love at the five and dime
A little bit of love from the counter store
Get it on credit if you need some more I'll be the figure of your disgrace
A criss cross pattern upon your face
A woman's just too tired to think
About the dirty old dishes in the kitchen sink I wish I was invisible
So I could climb through the telephone
When it hurts my ear and it hurts my brain
And it makes me feel too much, too much, too much, too much
Don't cut me down when I'm talking to you
'Cause I'm much too tall to feel that small, yeah Love is a temple, love is a shrine
Love is pure and love is blind
Love is a religious sign
I'm gonna leave this love behind Love is hot and love is cold
I've been bought and I've been sold
Love is rock and love is roll
I just want someone to hold Hold me now love
Hold me now baby
Come on
Yeah You have placed a chill in my heart
Make me feel it, come on now
You have placed a chill in my heart
You have placed a chill in my heart
You have placed a chill in my heart
Give me two times, give me two times, give me two times
Give me two times, give me two times
You have placed a chill in my heart
