## Methods Of Mayhem

It's a mother fucking method  
Are you ready?  
Are you ready?  
Are you ready?  
Are you ready for the weekend? Come on baby  
Come on baby  
It don't stop  
Come on baby  
It don't stop Forget about rehab  
Gimme more, gimme more  
Gimme more, gimme more  
Forget about rehab Wow, this is amazing  
Forget about rehab  
Give me another one  
Forget about rehab  
Gimme more The drugs are so advanced  
The drugs are so advanced  
The drugs are so advanced  
The drugs are so advanced Why get involved with a rock star  
With a troubled history Are you ready?  
Are you ready?  
Are you ready?  
Are you ready for the weekend? Come on baby  
Come on baby  
It don't stop  
Come on baby  
It don't stop Tommy seemed to know the difference  
He just didn't care Forget about rehab  
Gimme more, gimme more  
Gimme more, gimme more  
Forget about rehab Wow, this is amazing  
Forget about rehab  
Give me another one  
Forget about rehab  
Gimme more The drugs are so advanced  
The drugs are so advanced  
The drugs are so advanced  
The drugs are so advanced  
The drugs are so advanced Come on baby
