

This Room

The Notwist

No matter what we say, no matter what we think
We will never, we'll never leave this room
No matter what we say, no matter what we think
We will never, we'll never leave this room

What are we going to do about this?
What are we going to do about this?

No matter what we say, no matter what we think
We will never, we'll never leave this room
No matter what we say, no matter what we think
We will never, we'll never leave this room

What are we going to do about this?
What are we going to do about this?
