

# Leaders

## Katatonia

Leaders, come, stand in line  
Reveal your true self and conform  
I sold my song, I crossed the borderline  
I found something I'd never adjust to  
Come here, I've paid up for you  
I have sold my weakness too  
Come here, I split my heart in two  
But you don't have it in you, do you?  
Carbon soul, transparent and played out  
See you soon in non-fiction  
I sold my song, my mouth was sewn  
But it's coming undone and that's why I sold out  
Come here, I've paid up for you  
I have sold my weakness too  
Come here, I split my heart in two  
But you don't have it in you, do you?
