

The Heart Shaped Sea

Roxette

Babe, it's time to tell me that it's over
Tell me that it's over, it's plain to see
And this time we won't be starting over
No crying on your shoulder into the heart shaped sea
Oh, you've been a-running from our door
And you've been enchanted by the gracious voice of love
Babe, it's time to look me in the eyes
Time to say goodbye, it's clear to me
And this time I won't let you down
I won't let you down, you can turn around
You can turn around, I'll set you free
Oh, you've been a-sailing from our shore
And you've been enchanted by someone from afar
Babe, it's time to gather all the harvest
To pray before the winter
And sail the heart shaped sea
Oh, you've been a-running from my love
And you've been enchanted by the powers up above
