You Fell Apart

Ex Hex

Last night you fell apart
I always knew you were strange from the start
Now youâ€™re out creepin' around
Just looking for some action, trying to get down
Youâ€™re at the after-party every night
Wasted in the fog trying to see the light

[Chorus]
Canâ€™t stop thinking, so what do I do
Canâ€™t stop feeling, so what do I do

Last night tore you apart
I always knew you were strange from the start
Now youâ€™re out creepinâ€™ around
Looking for girly action, trying to get down

[Chorus]

[Bridge]
I tried so hard not to forget
I got no regrets, I got no regrets

[Chorus]

[Bridge]

[Chorus]

Tried so hard not to forget
That youâ€™re just a creep that I regret
And I tried so hard not to forget
I got no regrets, I got no regrets
