

Stay Away

Rooney

Stay away from my friends
They're smooth operators
Looking for a way in Stay away from me tonight
I've made other plans
And you'll just be distracting me
In a good way She doesn't know
That I love her
Yes, I love her Make a move on me baby
I can't be the one
Who's always taking chances See me down so you get down
No you've got me all wrong
I just want to kiss your lips
And you kiss back She doesn't know
That I love her
Yes, I love her
She doesn't know
That I love her Leave us alone
Leave us alone
Leave us alone Your friends and my friends
Leave us alone
Your friends and my friends
Should go far away She doesn't know
That I love her
Yes, I love her, yeah She doesn't know
That I love her
Yes, I love her, yeah
