

# Mata Hari

## The Atomic Fireballs

Mata Hari's the queen of night  
She'll make you move in an awful fright  
Something about her evil ways  
Will make you curse, make you crave Mata Hari's got slinky moves  
Makes me wanna sing the blues  
Steady groovin' with a cooler pill  
Eyes of ice, heart of steel Mata Hari, Mata Hari  
Mata Hari, Mata Hari  
Mata Hari, Mata Hari  
Mata Hari, Mata Hari Mata Hari's gotta special touch  
Scream and dream about her lust  
Sane men wanna loose control  
Makes me wanna sell my soul Say, Mata Hari looks so fine  
Makes me sweat and lose my mind  
Silky touch of velvet lace  
Makes me wanna torch this place Mata Hari, Mata Hari  
Mata Hari, Mata Hari  
Mata Hari, Mata Hari  
Mata Hari, Mata Hari Mata Hari, Mata Hari  
Mata Hari, Mata Hari  
Mata Hari, Mata Hari  
Mata Hari, Mata Hari
