

# I'm Not Like Everybody Else

**Don DiLeggo**

I won't take all that they hand me down  
Make out a smile, though I wear a frown  
And I'm not gonna take it all lying down  
'Cause once I get started, I go to town  
'Cause I'm not like everybody else  
    I'm not like everybody else  
    I'm not like everybody else  
    I'm not like everybody else  
And I don't want to ball about like everybody else  
And I don't want to live my life like everybody else  
And I won't say that I feel fine like everybody else  
'Cause I'm not like everybody else  
    I'm not like everybody else  
But darling, you know that I love you true  
    Do anything that you want me to  
    Confess all my sins like you want me to  
    There's one thing that I will say to you  
        I'm not like everybody else  
        I'm not like everybody else  
        I'm not like everybody else  
        I'm not like everybody else  
And I don't want to ball about like everybody else  
And I don't want to live my life like everybody else  
And I won't say that I feel fine like everybody else  
'Cause I'm not like everybody else  
    I'm not like everybody else  
        Like everybody else  
        Like everybody else  
        Like everybody else  
        Like everybody else  
If you all want me to settle down  
Then slow up and stop all my running 'round  
    Do everything like you want me to  
    There's one thing that I will say to you  
        I'm not like everybody else  
        I'm not like everybody else  
        I'm not like everybody else  
        I'm not like everybody else  
And I don't want to ball about like everybody else

And I don't want to live my life like everybody else  
And I don't want to stay fine like everybody else  
'Cause I'm not like everybody else  
I'm not like everybody else  
Like everybody else  
(Like everybody else)  
Like everybody else  
(Like everybody else)  
Like everybody else  
(Like everybody else)  
Like everybody else
