

Rainbow Eyes

Rainbow

She's been gone since yesterday
Oh I didn't care
Never cared for yesterdays
Fancies in the air
No sighs or mysteries
She lay golden in the sun
No broken harmonies
But I've lost my way
She had rainbow eyes
Rainbow eyes
Rainbow eyes
Love should be a simple blend
A whispering on the shore
No clever words you can't defend
They lead to never more
No sighs or mysteries

She lay golden in the sun
No broken harmonies
But I've lost my way
She had rainbow eyes
Rainbow eyes
Rainbow eyes
Summer nights are colder now
They've taken down the fair
And all the lights have died somehow
Or were they ever there
No sighs or mysteries
She lay golden in the sun
No broken harmonies
But I've lost my way
She had rainbow eyes
Uuuuh, uuh
