

Hot N Cold

Duolicious

You change your mind
Like a girl changes clothes
 Yeah you PMS
Like a bitch, I would know
 And you overthink
 Always speak cryptically
 I should know
 That you're no good for me
'Cause you're hot then you're cold
 You're yes then you're no
 You're in then you're out
 You're up then you're down
 You're wrong when it's right
 It's black and it's white
 We fight, we break up
 We kiss, we make up
 You!
You don't really want to stay, no
 You!
But you don't really want to go-o
 You're hot then you're cold
 You're yes then you're no
 You're in then you're out
 You're up then you're down
 We used to be
 Just like twins, so in sync
 The same energy
 Now's a dead battery
 Used to laugh 'bout nothing
 Now you're plain boring
I should know that you're not gonna change
'Cause you're hot then you're cold
 You're yes then you're no
 You're in then you're out
 You're up then you're down
 You're wrong when it's right
 It's black and it's white
 We fight, we break up
 We kiss, we make up

You!
You don't really want to stay, no
You!
But you don't really want to go-o
You're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're down
Someone call the doctor
Got a case of a love bi-polar
Stuck on a roller coaster
Can't get off this ride
You change your mind
Like a girl changes clothes
'Cause you're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're down
You're wrong when it's right
It's black and it's white
We fight, we break up
We kiss, we make up
'Cause you're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're down
You're wrong when it's right
It's black and it's white
We fight, we break up
We kiss, we make up
You!
You don't really want to stay, no
You!
But you don't really want to go-o
You're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're down
