Run

Matthew Mole

I'm gonna find that this way
I'm never gonna break my
Never gonna break my bones
And if you find that this way
You're never gonna be a
Never gonna be alone
Alone, alone, aloneYou're gonna run, away from this storm
You'll be ashamed, forever and ever
You gotta come and lay it all down
'Cause you can face, whatever the weatherAnd you'll see these arms are open
And you are gonna feel this love that's spoken
To me, spoken to meI'm gonna find that this way
I'm never gonna break my
Never gonna break my bones
And if you find that this way
You're never gonna be a
Never gonna be aloneYou think you've done a little too much
You need to see the potential in this heart
There'll never be a problem so tough
You can always run back to the startWhere you'll see these arms are open
And you are gonna feel this love that's spoken
To meAnd you'll see these arms are open
And you are gonna feel this love that's spoken
To meI'm gonna find that this way
I'm never gonna break my
Never gonna break my bones
And if you find that this way
You're never gonna be a
Never gonna be aloneBe mine, never think twice
Never be alone
So be mine, never think twice
We'll never be alone
Alone, alone, alone, alone
Alone, alone, aloneI'm gonna find that this way
I'm never gonna break my
Never gonna break my bones
And if you find that this way
You're never gonna be a
Never gonna be aloneAnd if you find that this way

You're never gonna be a
Never gonna be alone
Gonna be alone
