

# I'm Still Here

## Kula Shaker

I was sure I heard you singin'  
While my head was broken up  
While my world in flames was rearranged  
Oh, I, I'm still hereIn a blazin' forest fire  
In a web of my own desires  
In a place that we are destined to returnOn an ocean I can't fathom  
In a truth I can't unravel  
Oh, I'm still here  
Oh, I'm still here  
I'm still here
