

Fuck Them All

Defiance

 sit uponed your high horse of superiority
 dishing out convictions and your hate filled opinions
 like your anything better than a useless peice of shit
 your spiteful hatred reflects your ignorance
 passing laws and pushing for measures
 your useless opinions don't amount to shit
 when you push them on others is where you cross the line
 a line you need to be shoved back across[Chorus:]
 fuck them all
 fuck them all
 fuck them all the ain't worth shit
 who the fuck do you think you are to judge peoples choices
 who the fuck do you think you are to judge peoples sexuallity
 your bible imposed morals
 and family values
 don't mean a thing to me or free thinking people[Chorus]
