

# Fools (Peter, Bjorn & John Hortlax Cobra Remix)

## The Temper Trap

Fools  
The don't know  
What they're on about  
Those fools  
Don't get my dreams And I want it, I want it, I want it  
And I want it, I want it, I want it  
All  
When you can't wait  
To watch me fall High  
Singin' stories on a wrecking ball  
Colliding fast  
To bring you down If you want it, you want it, you want it  
If you want it, you want it, you want it  
All  
Sometimes  
Things we build  
To fall
