

I Heart Alabama

The Donkeys

Gonna keep my home in California
Not going any, anywhere
Been to Michigan, I love Alabama
I'm gonna stay here instead
You got me, and I got you
What do we need when we got us two
Gonna stay in California
Not going anywhere nohow
Been to the Dakotas, I've been to Indiana
And I'm gonna stay here instead
I got you, and you got me
Maybe one day we'll make it three
(I ain't going nowhere baby, unless of course you wanna)
