Unleash

Peripheral Visionaries

War after war
the lion roar
Hell after hell
Cambodian death bellsScum after scum
they blot out the sun
Hill after hills
in the killing fieldsNo more fear of failure
No more sufferingNo more lies,
I will arise
From blood-filled rivers
of my enemiesUnleash war
Unleash my wrath
Unleash revenge
Unleash my hellPig after pig
the blood runs cold
Stone after stone
the kingdom comesDoom after doom
the fallen ruins
Hate after hate
theres no escapeUnleash war
Unleash my wrath
Unleash revenge
Unleash my hellNo more scars
of judgementNo more tolerance
No more compromise,
I stand baptized in fireUnleashing my revenge
Unleash war
Unleash my wrathUnleash revenge
Unleash my hellFucked up,
you never ever learnIve reached the point
of no returnNo I cant take it
anymoreYoure borrowing
the blood I earnedFrom onslaught
to oblivionYoure never
taking me aliveVictimized, brutalized,
terrorized, crucified,Crucified In the heavy
side of life we liveIts not how we chose,
but it is how it fucking isUnleash! Unleash!
Unleash!
