

# Unleash

## Peripheral Visionaries

War after war  
the lion roar  
Hell after hell  
Cambodian death bells  
Scum after scum  
they blot out the sun  
Hill after hills  
in the killing fields  
No more fear of failure  
No more suffering  
No more lies,  
I will arise  
From blood-filled rivers  
of my enemies  
Unleash war  
Unleash my wrath  
Unleash revenge  
Unleash my hell  
Pig after pig  
the blood runs cold  
Stone after stone  
the kingdom comes  
Doom after doom  
the fallen ruins  
Hate after hate  
theres no escape  
Unleash war  
Unleash my wrath  
Unleash revenge  
Unleash my hell  
No more scars  
of judgement  
No more tolerance  
No more compromise,  
I stand baptized in fire  
Unleashing my revenge  
Unleash war  
Unleash my wrath  
Unleash revenge  
Unleash my hell  
Fucked up,  
you never ever learn  
Ive reached the point  
of no return  
No I cant take it  
anymore  
Youre borrowing  
the blood I earned  
From onslaught  
to oblivion  
Youre never  
taking me alive  
Victimized, brutalized,  
terrorized, crucified,  
Crucified  
In the heavy  
side of life we live  
Its not how we chose,  
but it is how it fucking is  
Unleash! Unleash!  
Unleash!
