

Grub On

Trey Songz

It's five o'clock in the mornin' when the club is over
Shorty, let's go get our grub on
I had way too much to drink and I need to get sober
So let's go get our grub onBaby, let's get out of here
I know a place not far from here
That I can get that grub onI said, my stomach's growlin' so crazy
Can you please feed me, baby
Girl, let me get my grub onNo cheese, steak or eggs
(I don't have a taste for that)
I don't want pancakes or bacon
(I don't have a taste for that)But I want something for filling
Let's go and fill my appetite
Girl, you're the only one that can make it alrightWill you be my I hop, baby, can I place my order?
Food in here is crazy, ooh, 24 hours
Round the clock it open, baby, here's a tip
You hop on top of me, I hop on top of youI'm thinkin' 'bout going for seconds
Maybe some desert, yeah, I still tryna get my grub on
And when I taste your coffee with sugar and cream
This spot is where I belong, oh
Cake and cream soda, so divine, I could eat here all the timeIs there a doggy bag I could take home?
Tellin' you if you ain't taste it
I think you better call your waitress
'Cuz I hops open till the early mornNo fruitcakes, no salads
(I don't have a taste for that)
I'm lookin' for a meal with a balance
(Something that can satisfy me)Got up on something for fillin'
That's gon take care of my cravings
So girl, tell me can you can feed me?Will you be my I hop, baby, can I place my order?
Food in here is crazy, ooh, 24 hours
Round the clock it open, baby, here's a tip
You hop on top of me while I hop on top of youI like that blue berry syrup
I like that strawberry syrup
Now baby, lay yo body down and let me lick it all up
Now baby, let's get you seated, don't need a plate to
Eat a good meal, let me show you, God, it's realBut it's gon be just me and you
We're gon grub till we're full
So tell me it's coolWill you be my I hop, baby
The food in here is crazy, 24 hours
Round the clock it open, baby, here's a tip

You hop on top of me, I hop on top of you Will you be my I hop, baby, can I place my order?

Food in here is crazy, that's 24 hours

Round the clock it open, I'll give you every tip

You hop on top of me, I hop on top of you Now give me that [Incomprehensible]

That freshin' foodie

That, that, that [Incomprehensible]

Now, come and do me

Grub on, grub on
