

# Stillmatic (The Intro)

## Nas

Uh, you know I still run with that, that blood of a slave  
Boiling in my veins  
It's just hot until a nigga can't take it no more  
Blood of a slave, heart of a king  
Turn my voice upAyo, the brother is "stillmatic"  
I crawled up out of that grave, wiping the dirt, cleaning my shirt  
They thought I'll make another "illmatic"  
But it's always forward I'm movingNever backwards stupid here's another classic  
See-notes is falling from the sky  
By now the credits roll starring nas executive poet, produced, directed by  
The kid slash escobarNarration describes the lives and laws tribes in the ghetto trying to survive  
The feature opens with this young black child  
Finger scratch, cigarette burns on the sofa, turning the tv down  
Mary jane girls, 45's playing, soft in the backgroundFood from see-town's mornings was hash browns  
Stepped over dope fiends, walking out the door, all of us paw  
I learned the difference between the snitches, the real ones, and who's soft  
And the murderous, hungriest crewsPeople jumping from roofs, shotguns pumping made it through my youth  
Walking very thin lines, ages seven and nine  
That's the age I was on my album cover, this is the rebirth  
I know the streets thirst water like MosesWalking through the hot desert searching to be free  
This is my end and my new beginning nostalgia
