# Face It

## Kansas

How many times do I have to tell you
That things just can't go on this way?
Oh, we've tried so many times but things go on the same
We've spent one, too many years in all this painAnd the light is shining in your eyes
And still it makes you wonderIt's time we face it
(Are you blind? Can't you see?)
It's time we face itHow long will we go on playin' this fool's game?
How long will a candle burn it's flame?
Oh, we've tried, we've tried so many times, so many ways
When will we ever learn from our mistakes?And the point is either right or wrong
'Cause when I'm weak then I am strong
And the truth will find us all someday
And the price is more than you can payIt's time we face it
(Are you blind? Can't you see?)
It's time we face it
(Can't go on in misery)It's time we face it
(Was it really meant to be?)
It's time we face it
(I don't know)Face it, it's time we face it
It's time we face it, it's time we face it
It's time we face it, it's time we face it
