Roll your rain
Roll your rain downVERSE
Well, help me peel the frown off my face . . . chit-chat-chat

Moon riverVERSE
Lisa doesn't know what I mean . . . chit-chat-chat
I try to make it good, I can't rearrange her
Standin' in the track of her tears . . . chit-chat-chat
You know I'm just a child, I can't see the dangerCHORUS
Oh, moon river
Moon river(REPEAT INTRO.)VERSE
Oooh, well, typin' up alone in my room . . . chit-chat-chat
The night goes creepin' by, I talk to the paper
