

# Winter Wonderland

## Sleeper Agent

Sleigh bells ring  
Are you listening?  
In the lane  
Snow is glistening A beautiful sight  
We're happy tonight Walking in a Winter wonderland  
Gone away, is the blue bird  
Here to stay, is the new bird He sings a love song  
As we go along And now we're walking  
Walking in a Winter wonderland  
Walking in a Winter wonderland  
Walking in a Winter wonderland  
Walking in a Winter wonderland Later on, we'll conspire  
As we dream, by the fire To face the unafraid  
The plans that we've made Walking in a Winter wonderland  
Walking in a Winter wonderland  
Walking in a Winter wonderland  
Walking in a Winter wonderland In the meadow, we can build a snowman  
(In the meadow we can build a snowman)  
And pretend that he is Parson Brown  
(And pretend that he is Parson Brown)  
He'll say "Are you married?", we'll say "No, man"  
(We'll have lots of fun with mister snow man)  
But you can do the job when you're in town  
(Until the other kids knock him down) When it snows  
Ain't it thrilling  
Though your nose  
Gets a chilling We'll frolic and play  
The Eskimo way Walking in a Winter wonderland  
Walking in a Winter wonderland  
Walking in a Winter wonderland  
Walking in a Winter wonderland  
Walking in a Winter wonderland  
Walking in a Winter wonderland  
Walking in a Winter wonderland  
Walking in a Winter wonderland
