Weak

T.o.k.

Light my path, show me the way
Filter everything I say
Try to forgive, try to forget
Why do I do what I regret
[Incomprehensible] won't abide
It's ripping me apart inside
Jesus pulls me back together
My soul will be with Him forever
Yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah, yeah
Can't get away from bitterness
Can't seem to lose my selfishness
My faith in father died
'Cause I am weak and he is strong
[Incomprehensible] won't abide
It's ripping me apart inside
Jesus pulls me back together
My soul will be with Him forever
Yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah, yeah
Light my path, show me the way
Filter everything I say
Try to forgive, try to forget
Why do I do what I regret
[Incomprehensible] won't abide
It's ripping me apart inside
Jesus pulls me back together
My soul will be with Him forever
Yeah, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah, yeah
