

The Ultimate Sin

Ozzy Osbourne

Overkill enough is enough
There's nothing left of me to
Devour
You've had your fill I'm all I
Have left
What can stop your hunger
For power
'Cos you took advantage of
Things that I said
Now the feeling is dead And that's the ultimate sin
And that's the ultimate sin Anyway I look at it now
The doors are closed and
Cannot be opened
Bury your anger and bury
Your dead
Or you'll be left with nothing
And no one
Or you'll be left with nothing
And no one
There's no point in screaming
'Cos you won't be heard
Now that tables have turned It was the ultimate sin
It was the ultimate sin
It was the ultimate sin I warned you then and I'm
Warning you now
If you mess with me you're
Playing with fire
Winds of change that are
Fanning the flames
Will carry you to your
Funeral pyre
It's pulling you down
It's your final descent
It's too late to repent When it's the ultimate sin
When it's the ultimate sin
When it's the ultimate sin
When it's the ultimate sin
