Running Out Of Time

Ozzy Osbourne

Been around this world so many times
If you could only see my mind
I watch my secret heaven turn to hellFaith alone has guided me
The ghost of my own destiny
I haven't even got a soul to sellAll the things I put me through
I wouldn't wish my hell on you
You'll never know what's going on insideJust another lonely broken hero
Picking up the pieces of my mind
Running out of faith and hope and reason
I'm running out of time, running out of timeTrouble always seems to find
A way to live inside my mind
My haunted head and me remain aloneUnderneath my masquerade
A simple man who's so afraid
I try to find a light to guide me homeMomma, please just hold me tight
Feeling so afraid tonight
'Cause you're the only one that really knowsJust another lonely broken hero
Picking up the pieces of my mind
Running out of faith and hope and reason
I'm running out of time, running out of timeFighting for my sanity
Many nights of tragedy
Got to leave my wretched ways behindJust another lonely broken hero
Picking up the pieces of my mind
Running out of fate and hope and reason
I'm running out of time, running out of time
I'm running out of time, running out of timeUnderneath my masquerade
A simple man who's so afraidFaith alone has guided me
A ghost of my own destiny
[Incomprehensible]
