

# A Girl I Used to Know

George Jones

There's a picture that I carry  
One we made some time ago  
If they ask who's in the picture with me  
I say just a girl I used to know Just a girl, I used to go around with  
Just a friend from long ago  
I don't tell them how lost I am without her  
I say she's just a girl I used to know Say, she's just another girl now  
Just a flame, that's lost it's glow  
And I say, her name has slipped my mind now  
And she's just a girl I used to know Just a girl, I used to spend some time with  
Just a friend from long ago  
I don't talk about the nights I cry about her  
I say she's just a girl I used to know
