The Party's Over

Clem Snide

The party's over
I never thought you'd stay
The love of laughter
My truth's no longer saneThe party's over
Much older than you'd say
This friend of no one
Time, creases on your faceTake a look at the kids
I've been losing track
This crime of being uncertain
Of your love is all I'm guilty ofThe party's over
I never thought you'd stay
A style of reason
This life of masqueradeTake a look at the kids
I've been losing track
This crime of being uncertain
Of your love is all I'm guilty ofTake this punishment away Lord
Name the crime I'm guilty of
Too much hope I've seen as virtue
Name the crime I'm guilty of
