

# The Well of Tradition

## Before Today

Riot and remember  
To take all that you can  
As you shake to the floor  
I'd give all to break your fall To the angels up there, I don't care  
And if I can prevent you from being here  
I could say just let us live long  
The innocent keep movin' on  
As a second's so long, it lets a heart beat on The guilty, the divide that unites  
Your last salute in site  
So what evils make us so afraid  
It's impossible to handle it  
Tear the pages from this ending And the pendulum swings again  
Off the end of gravity [Incomprehensible]  
You black out and you fall  
[Incomprehensible]  
The day has gone too far  
He's on his way  
He's on his way  
He's on his way
