Hard Out Here

Lily Allen

I suppose I should tell you what this bitch is thinkin'
You'll find me in the studio and not in the kitchen
I won't be braggin' 'bout my cars or talkin' 'bout my chains
Don't need to shake my ass for you 'cause I've got a brainIf I told you 'bout my sex life, you'd call me a slut
When boys be talkin' about their bitches, no one's makin' a fuss
There's a glass ceilin' to break, uh-huh, there's money to make
And now it's time to speed it up 'cause I can't move at this paceSometimes it's hard to find the words to say
I'll go ahead and say them anyway
Forget your balls and grow a pair of titsIt's hard, it's hard, it's hard out here for a bitch
It's hard, for a bitch (For a bitch)
For a bitch, it's hard
It's hard out here for a bitch
It's hard, for a bitch (For a bitch)
For a bitch, it's hard
It's hard out hereYou're not a size six, and you're not good lookin'
Well, you better be rich, or be real good at cookin'
You should probably lose some weight
'Cause we can't see your bones
You should probably fix your face or you'll end up on your ownDon't you want to have somebody who objectifies you?
Have you thought about your butt? Who's gonna tear it in two?
We've never had it so good, uh-huh, we're out of the woods
And if you can't detect the sarcasm, you've misunderstoodSometimes it's hard to find the words to say
I'll go ahead and say them anyway
Forget your balls and grow a pair of titsIt's hard, it's hard, it's hard out here for a bitch
It's hard, for a bitch (For a bitch)
For a bitch, it's hard
It's hard out here for a bitch
It's hard, for a bitch (For a bitch)
For a bitch, it's hard
It's hard out hereA bitch, a bitch, a bitch, bitch, bitch (Bitch)
A bitch, a bitch, a bitch, bitch, bitch
A bitch, a bitch, a bitch, bitch, bitch
A bitch, a bitch, a bitch, bitch, bitchInequality promises that it's here to stay
Always trust the injustice 'cause it's not goin' away
Inequality promises that it's here to stay
Always trust the injustice 'cause it's not goin' awaySometimes it's hard to find the words to say
I'll go ahead and say them anyway
Forget your balls and grow a pair of titsIt's hard, it's hard, it's hard out here for a bitch

It's hard, for a bitch (For a bitch)
For a bitch, it's hard
It's hard out here for a bitch
It's hard, for a bitch (For a bitch)
For a bitch, it's hard
It's hard out hereIt's hard (For a bitch, for a bitch) For a bitch
It's hard, it's hard out here for a bitch
It's hard (For a bitch, for a bitch) For a bitch
It's hard, it's hard out here (Bitch)
