

Old Sh!t

Miranda Lambert

Redman tobacco, Grandpa's two cents,
Old timers, "there in a pinch",
I'm a fan of it, old shit Splittin logs, smokin hogs
Feedin leftovers to a three legged dog,
I'm a fan of it, old shit One man's trash is another man,s treasure,
One man's pain is another man,s pleasure,
If its out of style, sure drives me wild
I'm a fan of it, old shit Old turntables, vinyl records
Hand me down tools, Black and Decker
I'm a fan of it, old shit One man's trash is another man's treasure,
One man's pain is another man's pleasure,
If it's out of style, sure drives me wild
I'm a fan of it, old shit Singin hymns, skippin stones
When I think of him I think of home,
I'm a fan of it, old shit Now grandpa's trash is my treasure
He don't feel pain, only pleasure
If it's out of style, sure drove him wild
So I'm a fan of it, old shit
Yeah I'm a fan of it, old shit
