

# Too Much Love To Hide

## Crosby, Stills & Nash

Can I sing a song to the woman  
Take a look at what you might be missing  
With a certain love that you know will stand  
It takes a good woman and a good man, I believe  
I believe, I believe enough don't I  
I believe when I see her eyes  
I believe there is too much love to hide  
Boy don't stand there in the shadows  
Let her know you care about what she knows  
Turn your mind into a window  
And the listener will lead who follows, I believe  
I believe, I believe enough don't I  
I believe when I see her eyes  
I believe there is too much love to hide  
If you don't trust at all you lose

You are bound to fall  
Lost behind your wall  
I believe, I believe enough don't I  
I believe when I see her eyes  
I believe there is too much love to hide  
Too much, too much  
So you know now you found out  
This is the kind of love you can shout about  
Leave your loneliness in the past  
This is the kind of love that's gonna last, I believe  
I believe, I believe enough don't I  
I believe when I see her eyes  
I believe there is too much love to hide  
Too much, too much
