

# Burning Holes Through Myself

## Buried Alive

I try to quench the pain  
I try to drench these days  
Time and time again, I fall on my face Every time I tell myself  
I've got a hold of this  
I run back to it, sink right in I fail, I fall, I fall on my face  
I bend, I break  
I can't take, I can't take the weight I've seen so many  
Burning holes through themselves  
And if it's not my poison, they've got their own Anything to mask these days  
Anything to numb the pain  
'Cause this worlds on fire  
And I can't take the weight I fail, I fall, I fall on my face  
I bend, I break  
I can't take, I can't take the weight I fail, I fall, I bend, I break  
I fail, I fall, I bend, I break  
Burning holes through myself  
Burning holes through myself [Incomprehensible], bend and break  
[Incomprehensible], bend and break  
Burning holes through myself  
I'm burning holes through myself
