

Top of the World

Bridgit Mendler

You've got that fresh way of talking
It could be four in the morning
And your making me trip
My heart skip, skip the beat You know that this is amazing
Please tell me why you're hesitating
Let's risk it all, risk the fall tonight Take the rope and climb
Close your eyes
Love will take you high
We'll be sitting on top of the world
Baby
You and I
We're born to rise
So just hold on tight
We'll be sitting on top, sitting on top of the world Ohhh, Ohhh, Ohhh, Oh, Oh, Oh, Ohhh
Ohhh, Ohhh, Ohhh I hear the wind in the trees and
I'm weak in the knees when
Your holding me close got tingling toes tonight
You got me so elevated
You wanna jump, why you waiting
Just risk it all, risk the fall tonight Take the rope and climb
Close your eyes
Love will take you high
We'll be sitting on top of the world
Baby
You and I
We're born to rise
So just hold on tight
We'll be sitting on top, sitting on top of the world Ohhh, Ohhh, Ohhh, Oh, Oh, Oh, Ohhh
Ohhh, Ohhh, Ohhh I'm begging you, begging you, got my love and hand Out
I'm begging you, begging you, got my love and hand Out
I'm begging you, begging you, got my love and hand Out I'm begging you (Begging you)
Begging you (Begging you) Take the rope and climb
Close your eyes
Hold on tight
We'll be sitting on top on the world
You and I
We're born to rise
So just hold on tight
We'll be sitting on top, sitting on top of the world Ohhh, Ohhh (Oohhh), Ohhh, Oh, Oh, Oh, Ohhh

Ohhh, Ohhh, Ohhh(Sitting on top of the world)We will be, you and me, we will be, sitting on top of the world
