Hero

Juliette Reilly

I walk alone with no wings to carry me home
You donâ€™t even know, you donâ€™t even know
And I hate the fall cause it takes you with it,
Shoot me down again
Youâ€™re colder then the snow, I'm used to being on my own

You donâ€™t own me just because you made me cry a thousand times
This is me clearing my own dark skies

You are not your mistakes, you are not your past
You are not the kids in high school who said youâ€™d never last
You are not your parents, you are not your goodbyes
So before you give up this fight I hope you realize
You can be your own hero

Sheâ€™s got her head down on her desk, she doesnâ€™t see it yet
But one day sheâ€™ll be grown, this is just a stepping stone
Heâ€™s locked in his bedroom thinking pain is all there is
Itâ€™s all heâ€™s ever known, they beat him down so low

They donâ€™t own you just because they made you cry a thousand times
Trust me when I say you're gonna be fine

You are not your mistakes, you are not your past
You are not the kids in high school who said youâ€™d never last
You are not your parents, you are not your goodbyes
So before you give up this fight I hope you realize
You can be your own hero

Strong pain builds strong hearts
This is where your life starts
We are clean slates and zeroes
Becoming our own heroes

Strong pain builds strong hearts
This is where your life starts
We are clean slates and zeroes
Becoming our own heroes

We are not our mistakes, we are not our past

We are not the kids in high school we used to be, we used to be

We are fierce and mighty, we are saying goodbye
To the people who thought weâ€™d never realize
We can be our own heroes
I walk alone while my own strength carries me home
You donâ€™t even know, I am my own hero
