

# True Love

Phil Wickham

come close,  
and listen to the story  
about a love  
more faithful than the morning

the father gave his only son  
just to save us

the earth was shaking in the dark  
all creation felt the fathers broken heart  
tears were filling heavens eyes  
the day that true love died  
the day that true love died

when blood and water hit the ground  
walls we couldn't move came crashing down  
then we were free and made alive  
the day that true love died  
the day that true love died

search your heart  
you know you can't deny it  
loose your life,  
just so you can find it

the father gave his only son  
just to save us

the earth was shaking in the dark  
all creation felt the fathers broken heart  
tears were filling heavens eyes  
the day that true love died  
the day that true love died

when blood and water hit the ground  
walls we couldn't move came crashing down  
then we were free and made alive  
the day that true love died  
the day that true love died

now, jesus is alive  
jesus is alive  
jesus is alive  
jesus is alive  
jesus is alive  
oh, he is alive  
he rose again

when blood and water hit the ground  
walls we couldn't move came crashing down  
then we were free and made alive  
the day that true love died  
now jesus is alive

oh, jesus you're alive

come close,  
and listen to the story
