

# Wiggles & Ritalin

## Reckless Kelly

Lets put on the Wiggles & pop a couple Ritalin  
Papa dont blame mama or tell her how lazy shes been  
Its been prescribed by a doctor and the doctor said it aint no sin  
So lets put on the Wiggles & pop a couple Ritalin  
Lets put on MacGyver & chow a couple Xanax bars  
I dont need no college counselor to tell me how lucky I are  
I lay the blame on the clinic and man its got me this far  
Yeah, Lets put on MacGyver & chow a couple Xanax bars

Chorus:

If only Dad would have spanked me instead  
Of dopin me up and messing with my head  
I might have turned out to be a regular guy  
But its all that I know and I gotta get high

So lets put on some Soul Train and snort a little cocaine  
Ill chop some lines maybe one at a time till were feeling no pain  
Ill bite my tongue till its numb and Ill talk till I drive you insane  
Yeah, lets put on some Soul Train and snort a little cocaine

Chorus

So lets put on some Scooby Doo & smoke a couple doobie doos  
Ive been high since I was just a little guy in my Underoos  
I sit around on my ass smokin grass and watchin classic cartoons  
Yeah, lets put on some Scooby Doo & smoke a couple doobie doos  
Yeah, Lets put on some Scooby Doo & smoke a couple doobie doos
