No More Time

DJ Tremor

More people to the people from beyond
What I used to say...
Won't leave the job half doneWe'll take another round
Never saw it coming
The boys are back in townWake up
We're about to land
And we've tightened our actNo more time for that mellow crap
About time you called in the boysWe put our feet down - touch the ground
And we make it last
Don't want to fight this roundYou'll see another core
In which you'll trust
The boys are on the floorNo more time for that mellow way
Regarless opinions
We guarantee we'll stayThere is no other game
We want to play
The boys are all the same
