

# Nowhere Fast

Bryan Adams

We're always on the run these days  
We hardly have the time to say  
What matters most of all  
Yeah, you've always been the only one  
The only one to make me run  
Anytime you call, yeah anytime  
Let's not talk about the future  
Let's not talk about the days gone past  
All this time we've been runnin'  
Round in circles, yeah  
I can feel a change a comin'  
And I know we're gonna make it last  
From now on we'll be goin' somewhere slowly  
Instead of going nowhere fast  
When everything has come and gone  
We'll look back on this road we're on  
Yeah, we'll see how far we've come  
Yeah, we've come a long way

Let's not talk about the future  
Let's not talk about the days gone past  
All this time we've been runnin'  
Round in circles, yeah  
Well, I can feel a change a comin'  
And I know we're gonna make it last  
From now on we'll be goin' somewhere slowly  
Instead of going nowhere fast, nowhere fast  
Faster than the days go by  
I know we're gonna make them last  
Instead of goin' nowhere fast  
All this time we've been runnin'  
Round in circles, yeah  
Well, I can feel a change a comin'  
And I know we're gonna make it last  
From now on we'll be goin' somewhere slowly  
Instead of going nowhere fast, ain't going nowhere fast  
From now on we'll be goin' somewhere slowly
