

# Catapult

## Jack Savoretti

Following the headlights  
Got to find a way back to you  
I can be the white knight  
You can play the princess  
We'll be running like outlaws  
Hiding in the midnight  
Break down them gates  
Let in the sunlight Throw me over these walls  
High up in the atmosphere  
If I could catapult my heart  
Watch the empire fall  
I'm gonna get you outta here  
If I could catapult my heart  
To where you are You say you had your heart broken  
What a stupid little thing to do  
Now you're tied to a train track  
But I'm a gonna come  
And rescue you  
Make no mistake  
I'll do whatever it takes To get over these walls  
High up in the atmosphere  
If I could catapult my heart  
Watch the empire fall  
Ooh I'm gonna get you outta here  
If I could catapult my heart  
To where you are  
If I could catapult my heart
