

Mean Man

W.A.S.P.

A tatoed madman, I'm hell on wheels
Born a wicked child left alone in the fields
My father was the wind, my mother was fire
Raised by the wolves and I grew up wild
A kamakazi man, a hollering 'Banzai'
Never crash and burn, never gonna die
ya cannibal it's me, ya scream and shout
I'll chew ya up and spit ya out
Storms i gotcha comin and its gonna be me.
Here comes Trouble with a capital "T", ta,ta,ta
'Cause I'm a mean mother fucking man,
I gotta scream, that's what I am
All the way, all the way
'Cause I'm a mean mother fucking man,
Riding the wind and know I'll be damned
All they way, all the way, all the way
Chewbacca in the rye, the water of fire
A terror in the flesh, a killer for hire
California man I'm white line, "Homer"
The unruly one they call the "Blond Bomber"
Scooter gypsy, I'm a renegade
An orphan on the road, a live hand grenade
Never gonna quit before my time
When the moon gets high then I'll be blind
Mad dog 20-20's king, ooh
I drink that stuff and start getting obscene
'Cause I'm a mean mother fucking man,
I gotta scream, that's what I am
All the way, all the way
'Cause I'm a mean mother fucking man,
Riding the wind and know I'll be damned
I'm a motorcycle man
Don't ever give a damn
I lie when the truth serves better
The Marquis de Sade, I cheat, steal and rob
A heavy metal creature
All the way, all the way, all the way
'Cause I'm a mean mother fucking man,
I gotta scream, that's what I am
All the way, all the way
'Cause I'm a mean mother fucking man,
Riding the wind and know I'll be damned
All they way, all the way, all the way
