

Something Told Me

Coal Chamber

Something told me to tell you
Not to tell me what to do
I am what I fuckin' am
Many have tried to change this manLife's always been an uphill fight
Somethings I do you may not like
Life's always been an uphill fight
Somethings I do you may not likeSomething told me to tell you
Don't give into me
Something told me to tell you
Don't give into meWhy do you do the shit you do?
I'm doin' just what I do
No, not what I want to do
But what I've got to do, we're throughLife's always been uphill fight
Somethings I do you may not like
Life's always been uphill fight
Somethings I do you may not likeSomething told me to tell you
Don't give into me
Something told me to tell you
Don't give into meSomething told me to tell you
Don't give into me
Something told me to tell you
Don't give into meSomething told me to tell you
Not to tell me what to do
I am what I fuckin' am
Many have tried to change this manLife's always been uphill fight
Somethings I do you may not like
Life's always been uphill fight
Somethings I do you may not likeSomething told me to tell you
Don't give into me
Something told me to tell you
Don't give into meSomething told me to tell you
Don't give into me
Something told me to tell you
Don't give into meI'm sick of this shit
I'm sick of this shit
I'm sick of this shit, motherfucker
I'm sick of this shit
I'm sick of this shit
I'm sick of your shitI'm out of my mind and you're driving me crazy

I'm out of my mind and you're driving me crazy
I'm out of my mind and you're driving me crazy
I'm out of my mind and you're driving me crazy Don't, don't give into me
Don't give into me
Don't give into me
Don't give into me
It's not the same, it's not the same
Some things are not the same anymore Something told me to tell you
Something told me to tell you
Don't give into me
Something told me to tell you
Don't give into me Something told me to tell you
Don't give into me
Something told me to tell you
Don't give into me
Something told me to tell you
Don't give into me
