

Unconditional Love

Cyndi Lauper

And I want to be everything
You want me to
But I'm not sure I know how
I lose faith and I lose ground
Then I see you and remember When I see you I remember
Unconditional love, love, love
Unconditional love It doesn't matter what I say
'Cause it always seems you're taking
Me the wrong way
But if you could read my mind you'd see
I fight myself all the time
When I see you I surrender
Unconditional love, love, love
Unconditional love, love Standing on a wilder shore
I got my head up in the clouds, oh
I ain't got no sense of direction now I want to lie next to you I want to lie next to you
And I want to do everything you want me to
And I want to do everything you want me to
Sometimes I wish at the sky But I'm not sure I know how
I imagine what the clouds look like
Put your arms around me now When I see you I remember
When I feel you I surrender
Unconditional love, love, love unconditional love ...
Unconditional love
Put your arms around me now
When I see you I surrender
When I feel you I surrender
Unconditional love, love, love unconditional love ...
Unconditional love, love, love
When I see you I surrender...
When I see you I remember
Unconditional love...
Unconditional love... All you need is
What the world needs
Now the word is love
