

Lullaby for an Anxious Child

Sting

Hush child
Let your mommy sleep in to the night until we rise
Hush child
Let me soothe the shining tears that gather in your eyesHush child
I won't leave I'll stay with you to cross this Bridge of Sighs
Hush child
I can't help the look of accusation in your eyes
In your eyesThe world is broken now
All in sorrow
Wise men hang their headsHush child
Let your mommy sleep in to the night until we rise
Hush child
All the strength I'll need to fight, I'll find inside your eyes
In your eyes
