Let Me Rediscover You

Downhere

Your spirit hovers over my waters
Your love burns longer than the sun
The skies of thunder echo your wonder
Your praises can't be oversung

The whole universes witness
To only a part of what you've done

So let me rediscover you
And breathe in me your life anew
Tell me of the god I never knew
Oh let me rediscover you

You see my weakness, my pride my blindness
You wield your power through them all
Of all the mysteries still the greatest to be
Is that you're faithful when I fall

But how can I say I know you
when what I know is still so small?

Let me rediscover you
And breathe in me your life anew
Tell me of the god I never knew
And let me rediscover you

Let me cry holy, holy, holy
And may awaken to your majesty
And see a glimmer of your glory
Let me abide in you

Let me rediscover you
And by your grace I'll follow through
Reveal to me the god i thought i knew

Let me rediscover you
And breathe in me your life anew
Tell me of the god i never knew
And let me rediscover you
Let me rediscover you

Tell me of the god i never knew
Jesus let me rediscover you
