The Boys Are Back In Town

The Gap Band

Just got off a long hard road back at home again
remeniscing good ole times, the things that happened thenStanding in a summer breeze, whistling in the tall oak trees
no one here but the guys in me, the boys are back in townDrifted into town one day, my how things had changed skyscrapers and parking lots, boy its a shame
how music calls you to your fame, get out there and play it's game
come back home the whole town is strange
the boys are back againHere me say NaNa, na na na na na, na na na, na na na na naThe boys are back in townHere me say NaNa, na na na na na, na na na, na na na na naThe boys are back in townStrolling through a park that day, where a church had been
watching all the young kids play, make their spinning tops spinhappy youthful children sounds mocked a crazy carnival clown
a little boy kicking a ball around, glad we're back in townWent on to the town square, a crowd was gather there looking at the pretty girls, the fairest of the fair
The whole damn crowd began to cheer, many friends that we held so dear
made us glad that we were all here, glad we're back in townHere me say NaNa, na na na na na, na na na, na na na na naThe boys are back in townHere me say NaNa, na na na na na, na na na, na na na na naThe boys are back in townHere me say NaNa, na na na na na, na na na, na na na na naThe boys are back in townHere me say NaNa, na na na na na, na na na, na na na na naThe boys are back in townHere me say NaWhat the children need to see, is what the world really should be
no one knows but the guys and me, glad we're back in townHere me say NaNa, na na na na na, na na na, na na na na naThe boys are back in townHere me say NaNa, na na na na na, na na na, na na na na naThe boys are back in townHere me say NaNa, na na na na na, na na na, na na na na naThe boys are back in townHere me say NaNa, na na na na na, na na na, na na na na naThe boys are back in townHere me say NaHere me say NaNa, na na na na na, na na na, na na na na naThe boys are back in townHere me say naWhat the children need to see, is what the world really should be
no knows but the guys and me, the boys are back in townHere me say NaNa, na na na na na, na na na, na na na na na
