

Thanks For Nothing

The Downtown Fiction

I know the sun still shines when you're not around
I'm taking it easy in the worst part of town
And now I find that it wasn't meant to last
I got one thing to say and that's
Thanks for nothing kiss my ass I want some money
I want some fame
Want everybody
To know my name
Want you to see me
In shining lights

Think about me when your with him that night I know the sun still shines when you're not around
I'm taking it easy in the worst part of town
And now I find that it wasn't meant to last
I got one thing to say and that's
Thanks for nothing kiss my ass
Thanks for nothing kiss my ass
Yeah I wrote a letter
I never sent
But I forgotten
Just how it went

It doesn't matter that much to me

Yours is the last face I ever want see Because the sun still shines when you're not around
I'm taking it easy in the worst part of town
And now I find that it wasn't meant to last
I got one thing to say and that's Thanks for nothing kiss my ass The sun still shines when you're not around
I'm taking it easy in the worst part of town
And now I find that it wasn't meant to last
