# No Tears to Cry

## Whigfield

I got no tears to cry
There's nothing to hide
No tears to cry
No empty
No, no emptinessNa na na hey-a hey-a hey-a hey-a hey
Na na na hey-a hey-a hey-a hey-a heyYou and me
Oh, well you know you can't forget it
My congratulations
And now that you're free
And that's exactly what you wanted
Now the story's overO-o-o gotta have a little faith
O-o-oOh, I got no tears to cry
I got no head in pain or lonelyness
There's nothing to hide
No tears to cry
No empty
No, no emptinessYou and me
Oh, It's the love that I ain't missing
I have must been feeling
Down, I can see
I need to change but I'm loving
No more run for coverOh, I got no tears to cry
I got no head in pain or lonelyness
There's nothing to hide
No tears to cry
No empty
No, no emptinessNo tears to cryNo tears to cry
Got no pain or loneliness
