You & I (Acoustic) [iTunes Session]

Local Natives

You and I, we were always strong
It was enough to keep me on
Believe meThen I woke up with my green eyes blue
And all I think about is you
And your fistWhen did our love,
When did our love grow cold?
The closer I get, the further I have to go
To places we don't know
To places we don't know
To places we don't know
To places we don't knowIn all this light
All I feel is dark
Had the sun without its warmth
I'm freezing
